Old Business	Update on Relay for Life	Members of the TFP and SWAT gave details about the Relay for Life and how the TFP was represented. They also discussed their involvement in teams and information about cessatio and prevention that was shared with others.	
	City of Trenton flavored tobacco resolution report	SWAT youth gave an update to the group about speaking at the March Trenton City Commission meeting and the passage of a flavored tobacco resolution by the Commissioners.	
New Business	SWAT report	SWAT members reported on Kick Butts Day activitie at Trenton High School and at the Suwannee River Youth Fair. SWAT youth plan to address the Fanning Springs City Commission on the topic of flavored tobacco.	
	Grant Renewal – what is on the horizon tobacco prevention from 2015-2018?	The Quit Doc staff explained the process of work plan writing for the next fiscal year, and discussed the main areas o work. Members were aske for availability to give	

		feedback as the work plan is being written in July.
	Point of Sale	Some members expressed concerns over certain retailers seeming to ignore the product placement ordinance by placing flavored tobacco on the counter near the registers. Members of the partnership volunteered to check the store again. The process of informing code enforcement if anyone sees a violation was discussed as well.
	Sponsorships and advertising	Members were asked if they would be on a subcommittee to help review any requests for advertising or sponsorships in the future.
