New Business	Christmas on Main	The Chamber of Commerce representative discussed the upcoming festival and the tobacco and ENDS-free policy. The Tobacco Free Partnership will be sponsoring the event. Additional signage with tobacco-free messages was asked to be displayed near the snow slide or the main stage area.	
	Rural Policies	Based on community discussion and requests, the Partnership is discussing encouraging a local venue to consider strengthening their tobacco policies to be more in line with other local venues and events. The Levy County Fair recently passed a tobacco-free policy which can be shared with our local fair board.	
	Future Tobacco-Free Observances	The Great American Smoke Out will be held on November 15 <sup>th</sup> . The Partnership viewed the Cost of Smoking materials that are available to workplaces and discussed possibly reaching out to non-traditional groups for cessation messages, such as churches.	
	Letters of Statements of Support	Members discussed the possibility of creating templates for letters of support to let organizations know that community groups support smoke and ENDS-free policies in the community. This will be an action item to be investigated by the Tobacco Prevention Specialist between now and the next Partnership meeting.	

ember 07, 2108	Community Organization Updates <ul> <li>Gilchrist County Health</li> <li>Department</li> </ul>	SRA courses began in Trenton this month. This course focuses on being healthy and promoting healthy relationships.
	• ForVets	Otter Springs has created tobacco-free recreational spaces for the community and the veterans who visit the park and campgrounds. They have recently added a tobacco-free children's playground. The signs have been completed and they were shared with the group.
	Next meeting will be held in January/February.	Members asked that a Doodlepoll be sent out to choose the next meeting date.
