Welcome						
Call to Order						
Old Business	Tobacco Free Florida Week Update	Gilchrist County Public Library (Trenton Library), Gilchrist County DOH and Palms Medical clinic and Pediatric clinics participated in Tobacco Free Florida Week by displaying and distributing ENDS information to clients and patients. Trenton Library also displayed a				
		Tobacco Free Florida Week on Main Street and hosted a week-long display board which included BTFF ENDS infographic information as well as additional SWAT club photovoice displays showing how advertising for ENDS products in the community impacts them.				
	Suwannee River Youth Fair	Partnership members have an opportunity to address the Suwannee River Youth Fair Board to present information about other local fair policies that include tobacco free and ENDS free language during the next fiscal year. Letters of support from community organizations and sponsors will be collected.				
New Business	Member Recognition	The Advisory Council recognized two members of the Partnership (JA and JT) who devoted additional time and work toward achieving the goals of the group during this fiscal year. We appreciate the hard work of our membership.				
	Partner Organization Recognition	The Advisory Council recognized four partner organizations for their efforts in supporting tobacco free policies which help reduce youth access to tobacco. The organizations recognized were – Gilchrist County DOH, Gilchrist County Public Library, Gilchrist Prevention Coalition and The Character Council.				
	Legislative Updates	An update on the legislation putting the new e-cigarette Constitutional Amendment was discussed.				

	SWAT Update	SWAT youth will attend the state SWAT meeting in June. SWAT youth participated in Tobacco Free Florida Week by contributing a photovoice display to outreach efforts.
	Community Organization Updates • SRAHEC	Update on the upcoming groups was given.
	Gilchrist Prevention Coalition	A representative of the Prevention Coalition gave on update on the status of the group and the grant application as well as future plans for the Coalition.
	Gilchrist DOH	The Gilchrist DOH will be participating in community events to reach community members, especially families with school aged children. There is a Hepatitis A vaccine available at the DOH.
		The Choices program continues to work with the schools and work toward additional youth vaccinations.
	Palms Medical Group	A Spanish speaking provider is now available. PMG participated in Tobacco Free Florida Week for both youth and adult patients. There will be free sports physicals over the summer, and a new after-hours call-in service is available.
	Next meeting will be held in August/September	Members asked that a Doodle poll be sent out to choose the next meeting date.
