

Attendance		
	SRAHEC representative, Mobile Response Team – Meridian representative, Gilchrist Library representative, ForVets representative, Chamber of Commerce representative	
Topic	Discussion	Action
Welcome		
Call to Order	Call-in/Sign-in	
Old Business	Tobacco Free Florida Week Review	The activities regarding Tobacco Free Florida Week were reviewed from earlier in the month. Information was sent to the Gilchrist Schools as well as distributed by the Prevention Coalition
New Business	COVID-19 Update	An update on meetings and activities was given. This includes alternative methods of participating in meetings and what is stated in the bylaws. Members discussed whether to try to meet in person for the next meeting or use conference call/Zoom as an alternative. Since it is unknown what the state of opening will be at that time, that decision will be made at the time of the next meeting. Everyone in attendance stated that they support either a virtual or a hybrid meeting where some people may be able to attend in person, but some people may need to attend virtually due to social distancing guidelines. This will be communicated with the membership via email.
	SWAT update	Although school is currently not being held in buildings, SWAT was able to meet as a Gilchrist Chapter via Zoom. Club members plan to attend the regional SWAT meeting which is being held virtually.
	Partnership Survey	Please consider completing the survey. Please contact the Tobacco Prevention Specialist if you do not have the link, or if you have any technical difficulties completing it.
	Next Fiscal Year Update	The Tobacco Prevention Specialist gave the members an update on the workplan for the next fiscal year, including the goals and objectives that will be in the workplan.
	Community Organization Updates	Virtual groups via Zoom are currently scheduled until social distancing guidelines are changed. A schedule was provided.
